Cub Scout Summer Day Camp is a five-day program held at Camp Tamarancho in the Fairfax hills for all Scout youth entering 2nd grade through 5th grade during the Fall of the next school year. Campers will participate in age-related activities and be grouped in dens by school grade and gender. The dens rotate daily through a variety of fun activities that may differ each day. The den group size is 6-9 youth led by an older teenage Den Chief.

Activity areas may include Archery, BB Gun, Cooking, Field Sports, handicrafts, Nature, Outdoor Skills, Scout Skills, Waterfront (water play, swimming, canoes), and more!
