In order to maintain these opportunities for our Scouting youth to learn and teach firearm safety, we need adult volunteers to operate our ranges. If you are interested in helping supervise and promote these activities, we are offering training of the BSA Rangemaster training on the standards for range supervision on 3 Sundays this Fall noted below. The training class is about 6 hours duration. We ask for certified rangemasters to staff at least 2 events per year, several of which are described below, and the more trained volunteers we have, the more events we can offer. **Contact [Keith Angerman by email](mailto:Keith.Angerman@scouting.org) for more information on, or click on the dates to sign-up for one of the training days noted below.**
